ADULT DOG FOOD

VITAL PET ADULT DOGS®

Vital Pet Adult Dogs is simply delicious and the favorite of many dogs and their owners. Vital Pet offers a complete and healthy diet through products developed to achieve a complete and balanced nutrition for your dog. In our product natural animal protein content is high, the dogs are happy with the taste of meat. Proteins of animal origin improve digestion and optimum absorption of nutrients. Both the flavor and the color are natural good ingredients.

The series has been developed by veterinarians specializing in animal nutrition, always working to generate a product that ensures a healthy and nutritious diet.

Vital Pet is the natural choice for those who know that a tasty and nutritious diet is an important prerequisite for a good life and to achieve a complete and balanced nutrition for your dog.
